

Say Hi to our Participant of the month , Lindsay!

Lindsay was our very first participant and we owe a great deal to him and his family for trusting Livability Care Australia to provide him supported accommodation and care.

Lindsay has improved so much, both mentally and physically from the day we met him to now.

Being stuck in a rehabilitation centre for years and not having a life to moving into his forever home is such an achievement for him as well as us. Lindsay is a cheerful gentlemen who loves hanging out with his housemates, going out for coffee and cake, watching footy and going out.

NEW POSITION UPDATES LCA

We jazzed up the organisation structure again. As sad as it is to see loved employees leave and embark on new journeys and careers, we are happy to see our current employees grow within the company to undertake new opportunities and challenges. Say hi to the new crew that got pumped up the organisation chart.
