

HELLO JONATHAN

SAY HI TO THE NEW BOY IN TOWN...

Jonathan lives in our Elizabeth robust house and loves having a whole house to himself (fancy much). Jonathan loves to help staff with household tasks such as cleaning , doing his laundry and cooking .We have been told he makes a killer Chai - Kudos to his support team. Jonathan loves going for drives , exploring new places and hitting all those fancy coffee shops along the way. He adores his music , especially songs of Shania Twain and Celine Dion. He is also a big fan of 9 news. Jonathan is the life of the party , it's a never a dull day with him around the house and the progress he is making every single day is amazing.
